Active School UK – Gymnastics After School Club

Register Your Interest - South Wonston primary school

Day: Tuesdays – KS2 and Fridays - KS1

Time: 3.00pm – 4.00pm

Start Date: Tuesday 8th September/ Friday 11th September

Length: 7-week term

Cost: £66.50 per child (payment requested once minimum numbers are confirmed)

Dear Parents and Carers,

We are excited to explore the launch of a brand-new After-School Gymnastics Club at South Wonston primary school for KS1 and KS2 students, delivered by Active School UK.

To help us confirm whether there is enough interest to run the club from, we are inviting families to register their interest using the link below.

Once we reach the minimum number of pupils, we will contact families to request payment and confirm your child's place.

What the Club Offers

Our after-school gymnastics sessions are designed to help children:

- Build confidence, strength, and coordination
- Develop balance, flexibility, and core movement skills
- Work towards the UKAG Gymnastics Award Scheme
- Enjoy fun, structured physical activity in a safe environment

The club is suitable for all abilities, from beginners to those with previous experience.

How We Run Our Sessions

All sessions are delivered by fully qualified, DBS-checked, first-aid-trained coaches who specialise in school-based gymnastics.

Each week includes:

1. A warm-up and mobility section
2. Skill development through floor and apparatus
3. Fun challenges and partner/team work
4. Progress towards individual certificates and awards
5. A calm cool-down to finish

Children will be collected by the coach or brought to the hall by their teacher at 3.00pm and must be picked up promptly at 4.00pm from the agreed collection point.

How to Register Your Interest

In order for us to run this club, we must first reach the minimum number of bookings required.

To register your child's interest, please visit the link below and you can find your school in the dropdown list here:

<https://activeschool.classforkids.io>

It may display a message stating that the class is fully booked. Please join the waiting list in order to confirm minimum required numbers.

Joining the waiting list allows us to record your interest in the club. Once we have received enough registrations to meet the minimum required number of participants, we will contact all interested families and send a booking and payment link to secure your child's place.

Please note that places will be allocated on a first-come, first-served basis, and spaces are limited. Registering your interest early is recommended to avoid disappointment.

No payment is required at this stage.

If you have any questions, please contact us at:

info@activeschool.org.uk www.activeschool.org.uk

We look forward to welcoming your child into the club and creating a brilliant gymnastics experience.

Active School UK

Helping children move, learn, and grow with confidence.
